

Leather Oil[®]

*From pure natural hemp oil
Nourishing
Enhances suppleness
Water-repellent
Prevents tears and cracks*

HempFlax bv

produktie en verwerking van vezels uit hennep en vlas
production and processing of fibers from hemp and flax

Nature wins!

For optimal maintenance and water-proofing of leather goods such as saddles, harnesses, boots and bags.

Leather Oil is exclusively made from pure natural oils with hemp oil as the main ingredient. Leather Oil effectively treats and protects leather and prevents tearing and cracking. It is absorbed immediately. Leather Oil is easy to use and imparts natural lustre.

Leather Oil comes in metal cans of 1 litre and of 250 ml, with a convenient screw cap.

Directions:

Leather Oil is a safe and natural product that is easy to use and suitable for all leather goods.

1.
Clean the leather with a brush before applying Leather Oil. Make sure all dirt has been eliminated and that the leather is dry.

2.
Apply Leather Oil with a cloth. The leather will absorb the oil immediately.

3.
Smaller leather articles may be immersed in a bath of Leather Oil and left to soak overnight.

Leather Oil adds natural lustre to leather.
